

LOVE IN ACTION

FEBRUARY 2025

We're so excited to launch another year of "Love in Action," a compilation of projects and daily activities to help you and your neighbors spread some extra love in our community. This project will last the entire month of February. Additionally, United Way will organize a two-week donation drive for the Children's Coalition Early Head Start Program to benefit from Love in Action.

If you want to make a positive impact in our community, visit unitedwaynela.org/loveinaction to explore the donation drive page!
